Pellet Insertion - Male	\$450
Per Pellet Fee - 100 mg	\$40
Per Pellet Fee - 200 mg	\$60

All fees are expected at the time of service.

We will not have billing or pre-certification staff. All contact with insurance companies is your responsibility.

Email will be used for most patient communication, unless otherwise discussed.

Most insurance companies will reimburse men for pellet implantations, but not women.

This service is not covered by Medicare so you may not send in your bill for reimbursement.
